DEDICATION

We, the Class of 1988, wish to dedicate our yearbook to a person who has demonstrated a genuine interest in our welfare and concern for our future. Beyond the requirements of the classroom, this person has been willing to provide any assistance that we have needed, since the first day that we entered Woburn High. The amount of time and effort needed to provide this help has always been given with sincerity and professionalism. While it may not be possible to repay someone such as this for all that has been done for us, we would like to express our thanks by dedicating the 1988 INNITOU to:

CHEERLEADERS

Both cheering squads had outstanding years — the football cheerleaders season was highlighted by a trip to Sullivan Stadium to cheer at the Superbowl against Brockton.

The Soccer girls highlight was winning the Northern Area Cheering competition held in Beverly. This was the first time in Woburn history a soccer squad had placed first in a contest.

Another highlight for both teams was the "pounding" they gave Winchester in winning the Powderpuff game, 6-0.

GOLF

The golf team ended its season with a record of 7-5-1. Tom O'Brien and Tim O'Connell were named to the All-Star team. Tony Marchese was named as the Times Golfer of the Year. With only two seniors on the team, Coach Doran has a bright outlook for the future.

The highlights of the season included a 39-15 win over Melrose, a thrilling come-from-behind victory over Wakefield, and shutting out arch-rival Winchester 24-0 on Thanksgiving day. By defeating Winchester, the Tanners earned a trip to the Division I Superbowl to face Brockton.

Leading the Tanners were tri-captains Jeff Burke, Bill Bishop, and Jim Duran. Jim Duran was selected All-Scholastic by both the Boston Globe and the Boston Herald. Receiving Middlesex League All-Star recognition were Mike Mulrenan, Bill Bishop, Dave O'Brien, Fred Parziale, Jeff Burke, Mike Donaghey, Kevin Loftus, and Duran. FACULTY

SUPERINTENDENT — ADMINISTRATION

Dear Graduates of the Class of 1988,

As a parent of one of your classmates in the Class of 1988, may I express my sincere congratulations to you on the completion of your educational programs at Woburn High School.

The world of 1988, which you will enter, has diametric contrasts in being a world of advanced computers, data processing, and scientific-industrial technology while at the same time being a world of high crime, high poverty level, a high rate of illiteracy, and high unemployment.

The World of 1988 for you will mean an opportunity not only to demonstrate the skills you have learned but most importantly to make as many efforts as possible to decrease the social ills of society.

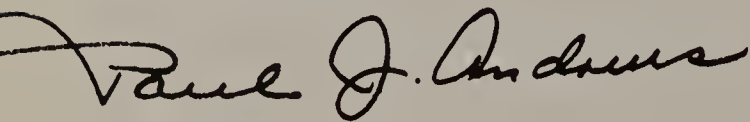

I ask each and every graduate next year and each year of your life to do just one thing a year from which our total human society will gain in a positive sense.

Finally, I ask that the joy you feel with graduation will remain with you through your lifetime.

Bernard Baruch stated, "Age is only a number, a cipher for the records. A man can't retire his experience. He must use it. Experience achieves more with less energy and time."

You, the Class of 1988, God willing, have the time and energy to be great givers to society. Please use your talents well and give part of yourself to the benefit of mankind.

Sincerely and fondly,

PRINCIPAL

To the Class of 1988

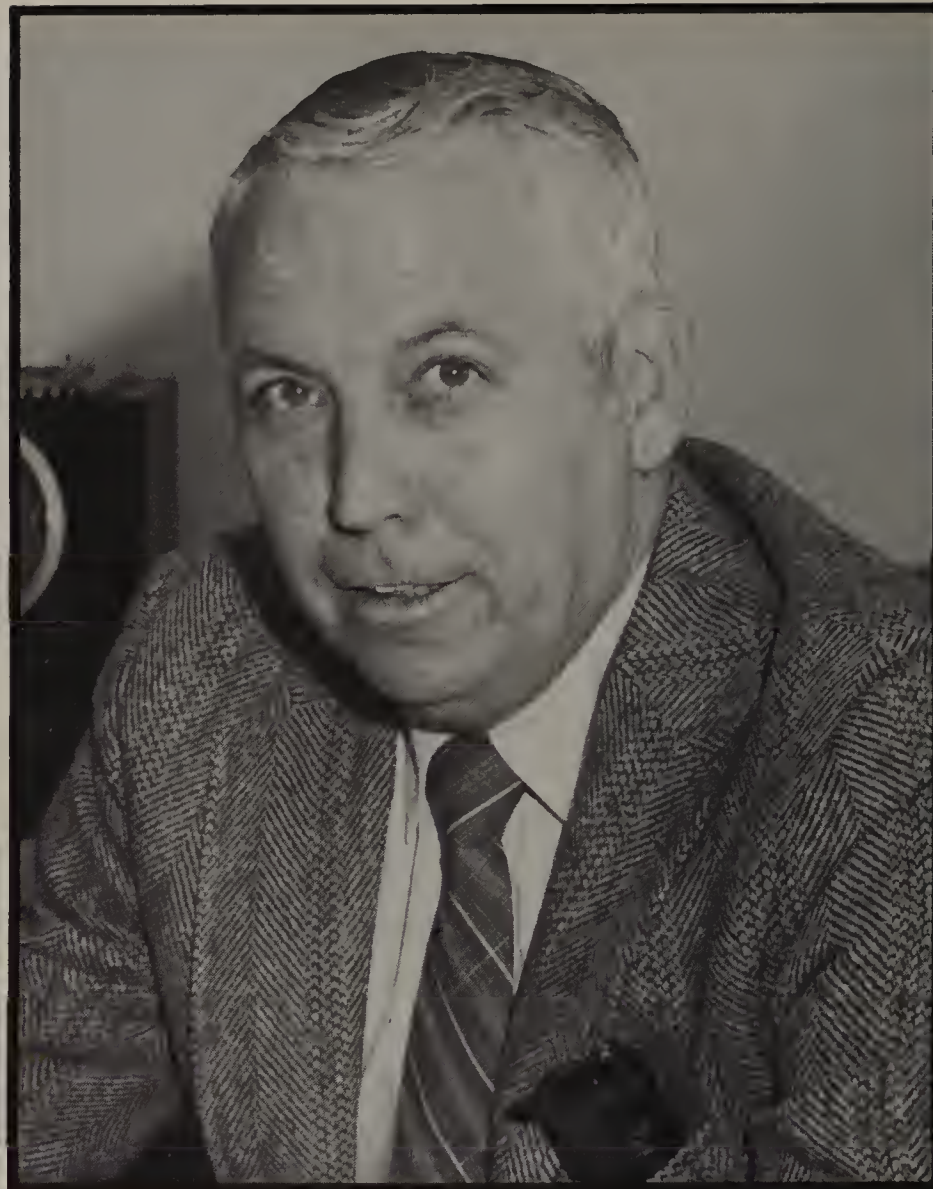

The challenge of your high school years may be likened to a circle.

A blend of experiences — unable to tell where one begins and another ends.

As you receive your diploma, you close this circle. Your basic instructional efforts are now complete.

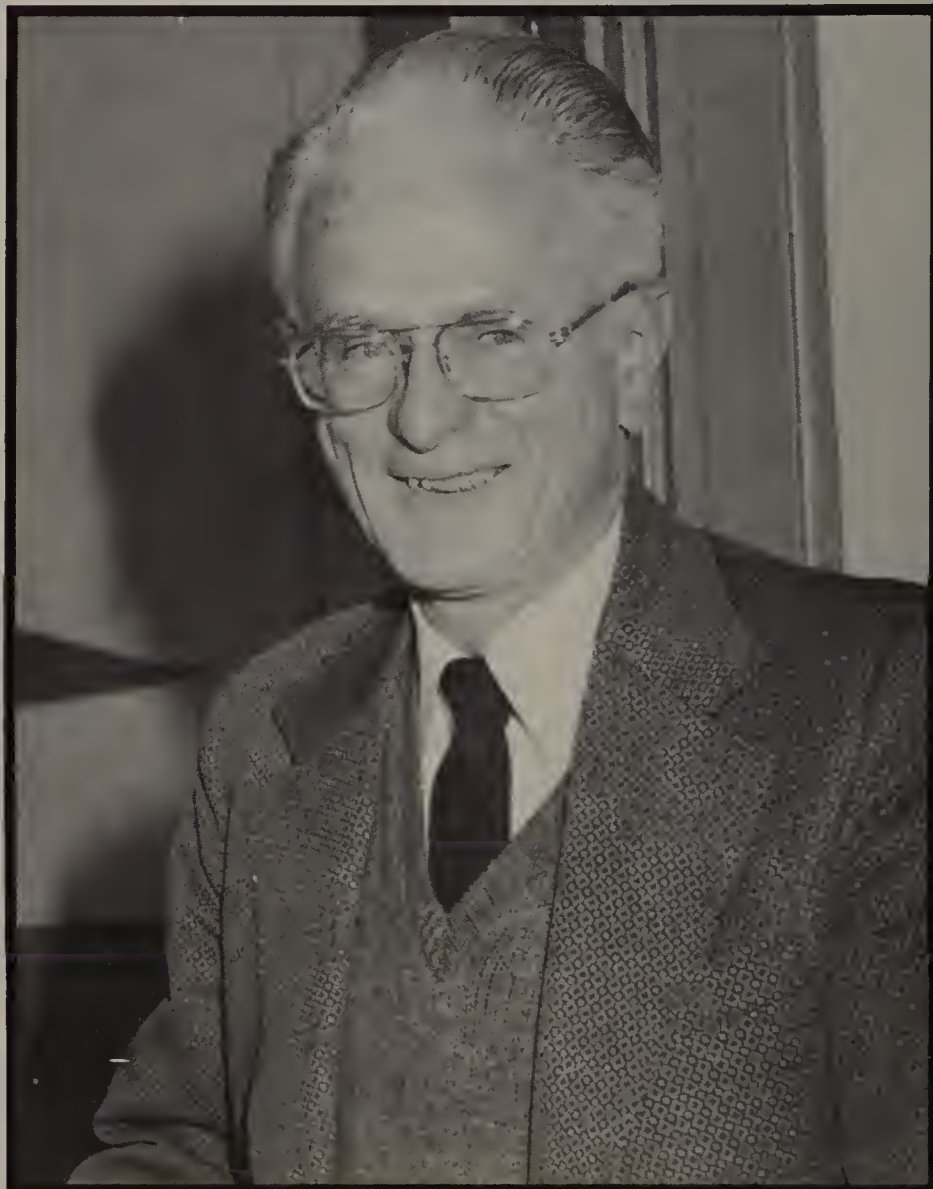

I commend you for this achievement.

With commitment and resolve, continue to expand your circle of knowledge and find true meaning, happiness and success in everything you do.
